the ultimate freestanding bannerstand.

INTERNATIONAL PATENTS PENDING © 1997.

...product specifications overleaf.

**banerect**<sup>®</sup>, the ultimate freestanding bannerstand. A lightweight, inexpensive and easily transportable unit that helps promote your message. Designed for use indoors, its simple and aesthetic form blends into the background leaving your message as the centre of attention.

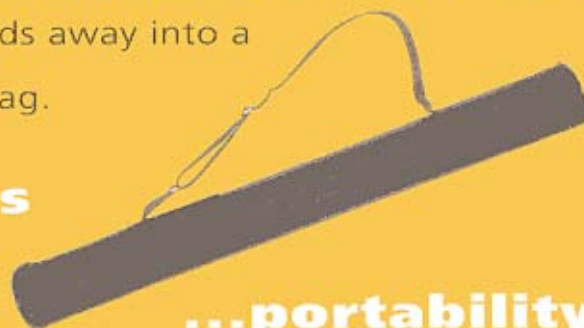

## ...six in one image combinations

**banerect**<sup>®</sup> is assembled in seconds, and each one comes in two heights with three widths to suit. The specially reinforced composite fibre rods combine tension and flexibility, with excellent memory. These durable and lightweight rods have a specific strength exceeding that of steel! Banner material can be Digital Inkjet, PVC Vinyl, Photographic, or Velcro. **banerect**<sup>®</sup> easily folds away into a practical storage tube with its own travel bag.
